Dear Sir/Madam,

I refer to your online request dated 29 August 2023. In this regard, I wish to inform you that an assignment has been made for the benefit of an aircraft operating agency under the jurisdiction of your Government as follows:

Aircraft operating agency:	<i>GO JET AVIATION TÜRKIYEHAVACILIK ANONIM SIRKETI</i>
Three-letter designator:	GYS
Telephony designator:	-

This change will be reflected in the next edition of Doc 8585 and in the electronic data set distributed on the next AIRAC cycle.

I would also like to take this opportunity to draw your attention to the OPS Control Directory (OPS Ctrl Dir) which can be accessed at the following link: <https://www4.icao.int/opsctrl>. The Directory has been established to facilitate the communication between the Operational Control Centers (OCCs) of an Air Operator (Airline) and Air Navigation Service Providers (ANSPs) of Contracting States.

May I kindly request that you invite Air Operators, to nominate a focal point and have them create an account. The focal point will be responsible for determining what OCC information is published, manage access to other individuals in their organization, and to keep the OPS Control Directory updated.

Yours sincerely,

Michele Merkle
Director
Air Navigation Bureau
